

RENASANT BANK

ONLINE BANKING AGREEMENT

The following information shall constitute the Online Banking Agreement between you and Renasant Bank ("Bank," "we," "our," "ours"). The terms "you," "your," or "Customer" refers to all owners of the Accounts (as defined in Section 1.1 below) as well as any person who approves this Online Banking Agreement. This Online Banking Agreement sets forth the terms and conditions governing the Online Banking services that we make available over the Internet ("Service") to you or anyone authorized by you with respect to your Accounts (as defined in Section 1.1 below) and describes your and our rights, responsibilities and obligations. This Online Banking Agreement also includes by reference, as applicable, the signature cards for your Accounts; your Deposit Account Agreement (as defined in Section 10.7 below); the Common Fee Schedule; Schedule of Fees located at <https://www.renasantbank.com/schedule-of-fees>, and all other applicable rate and fee schedules; Funds Availability Disclosure; and if you are a consumer, Truth in Savings Disclosures; Electronic Funds Transfer Agreement and Disclosure ("EFTA"), Electronic Delivery Communication Authorization and Agreement and whether you are a business or a consumer, all other instructions (including Operating Instructions, as such term is defined below) and the terms and conditions contained or referenced herein relating to specific services that may be provided in connection herewith (this Online Banking Agreement and of the aforesaid related agreements, schedules or disclosures being referenced herein collectively as this "Agreement"). By clicking the "I agree" button related to this Agreement, you are electronically signing this Agreement, which shall be considered the same as your authorized written signature constituting your binding agreement to all terms, conditions, and notices contained or referenced in this Agreement and, if you are a Consumer (as defined in Section 1.9 below), also constitutes your acknowledgement that you have received and agreed to the terms of the Electronic Delivery Communication Authorization and Agreement. Bank, in its sole discretion, may not permit Customer to use the Service until Bank has determined that Customer has accepted or executed the applicable documentation and otherwise provided appropriate information and specifications for the use of the Service, and until Bank has had a reasonable opportunity to activate the Service. Bank may further terminate or suspend the Service at any time in its discretion, with or without notice. In any event, Customer agrees that the use by Customer of any Service shall, without any further action or execution or acceptance of any documentation on the part of Customer, constitute Customer's acceptance of and agreement to Bank's terms and conditions for the use of such Service as may be in effect as of the time of such usage and the Operating Instructions, whether set forth in this Agreement or otherwise prescribed by Bank. In order to activate the Service, you must have at least one Account with us linked to the Service.

Therefore, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, you and Bank, intending to be legally bound, do hereby agree as follows:

Article II. Setup and Use of Online Access Services.

2.1. Eligibility.

To have access to the Services you must be an authorized user of the software you select, if required for use with the Equipment (as such term is defined in Section 2.4 below). You must also have at least one Account with us. If you have more than one Account or other relationship with us at the time that you enroll in the Service, we will "link" the Accounts together unless you request certain accounts not be linked. Accounts which are "linked" under the Services will have one common owner and signer. Any person with your Access Code (defined below), acting alone, will be authorized to access a linked account via the Service. If you open an Account after you enroll in the Service, your new Account will be linked to other commonly owned Accounts. Any non-linked account will not be accessible through the Service. If you are self-enrolling in the Service, then during enrollment you must designate a User Name and Password that will be required to gain access to the Service. If Bank enrolls you in the Service, then Bank will assign you a User Name and Password for initial access, and you will be required to change your Password the first time you use the Service. The User Name and Password collectively are referred to as the "Access Code."

2.2. Security Procedure.

The use of the Access Code, as well as other Security Devices, as defined below, and any other procedures which Bank directs you to use in this Agreement or the Operating Instructions, constitute the security procedures established by Bank to authenticate the identity of the person attempting to gain access to the Service (collectively, the "Security Procedures"). The Access Code is not designed for the detection of errors. We may require you to change your Access Code from time to time for security reasons. You should keep your Access Code in a secure location. Any person having access to your Access Code (or just your Access Code) will be able to access these Services and perform all transactions,

including reviewing Account information and making Transfers to other Accounts and to other persons. **You are responsible for safeguarding the Access Code. Providing your Access Code to another person effectively constitutes a grant of authority to access or make transactions on your accounts.**

2.2.1. You agree to comply with the Security Procedures. You further acknowledge and agree that the Security Procedures, including (without limitation) any Access Code, user identification technology, token, certificate, layered security, or other element, means, or method of authentication or identification used in connection with a Security Procedure (collectively "Security Devices"), constitute commercially reasonable security procedures under applicable law for the initiation of the Services you utilize, including without limitation, transfers and access to confidential information. You authorize us to follow any and all instructions entered and transactions initiated using applicable Security Procedures unless and until you have notified us, according to notification procedures prescribed by us, that the Security Procedures or any Security Device has been stolen, compromised, or otherwise become known to persons other than you or your representative(s) and until we have had a reasonable opportunity to act upon such notice. You agree that the initiation of a transaction or instructions using applicable Security Procedures constitutes sufficient authorization for Bank to execute such transaction or instruction notwithstanding any particular designation by you of authorized persons or signature requirements identified on any signature card or other documents relating to this Agreement or your deposit account maintained with Bank, and you agree and intend that the submission of transactions and instructions using the Security Procedures shall be considered the same as your authorized written signature in authorizing us to execute such transaction or instruction. You acknowledge and agree that you shall be bound by any and all transactions initiated through the use of such Security Procedures, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by you, to the fullest extent allowed by law. You further acknowledge and agree that the Security Procedures are not designed to detect error in the transmission or content of communications or transactions initiated by you and that you bear the sole responsibility for detecting and preventing such error.

2.2.2. You agree to keep all Security Procedures protected, secure, and strictly confidential and to provide or make available the same only to your authorized representative(s). You agree not to disclose or provide any Security Procedures to any unauthorized person. Where you have the ability to change or modify a Security Device from time to time (e.g., a password or User Name), you agree to change Security Devices frequently in order to ensure the security of the Security Device. You agree to notify us immediately, according to notification procedures prescribed by us, if you believe that any Security Procedures have been stolen, compromised, or otherwise become known to persons other than you or your authorized representative(s) or if you believe that any transaction or activity is unauthorized or in error. In the event of any actual or threatened

breach of security, we may issue you a new Access Code, Security Device or establish new Security Procedures as soon as reasonably practicable, but we shall not be liable to you or any third party for any delay in taking such actions.

2.2.3. You agree to notify us immediately, according to notification procedures prescribed by us, if the authority of any authorized representative(s) shall change or be revoked. You shall recover and return to us any Security Devices in the possession of any of your authorized representative(s) whose authority to have the Security Device has been revoked.

2.2.4. We reserve the right to modify, amend, supplement, or cancel the Security Procedures, and/or to cancel or replace any Security Devices, at any time and from time to time in our discretion. We will endeavor to give you reasonable notice of any change in Security Procedures; provided that we may make any change in Security Procedures without advance notice to you if we, in our judgment and discretion, believe such change to be necessary or desirable to protect the security of our systems and assets. Your implementation and use of any changed Security Procedures after any change in Security Procedures shall constitute your agreement to the change and your agreement that the applicable Security Procedures, as changed, are commercially reasonable and adequate for the purposes intended.

2.3. Access.

Services are generally accessible 24 hours a day, seven days a week, except that the Services may be inaccessible for a reasonable period on a daily basis for system maintenance. We are not liable under this Agreement for failure to provide access due to a system failure or due to other unforeseen acts. We may modify, suspend, or terminate access to the Services at any time and for any reason without notice or refund of fees you have paid. Bank may change or replace the terms and conditions of this Agreement from time to time to conform with changes or advancements in our services, or as required by law or regulation. All such changes will be made according to the procedures outlined in Article IX. Use of Online Banking after the effective date of such changes or failure on your part to terminate the Services after such effective date will constitute your consent to the changes.

2.4. Equipment Requirements.

In order to use the Services, you must first obtain your own PC with Internet connection capability, a Current Version (defined below) of an operating system and other necessary software, and related equipment (collectively, the "Equipment"). You also must provide the type of Internet access required by the Equipment, which requires a Current Version of an Internet browser (such as Microsoft Internet Explorer®, Mozilla Firefox®, Google Chrome®, or Apple Safari®) that is capable of supporting JavaScript, cookies, and 128-bit SSL encryption. As used above, "Current Version" means a version of the software that is currently being supported by its publisher (beta or other test versions of the software that have not yet been generally released are not recommended). Once the Equipment has been properly connected and any required Internet access has been established, you will be able to access the Services' website. You are and will remain solely responsible for the purchase, hookup, installation,

loading, operation and maintenance of the Equipment and the Internet access service to your PC, and for all related costs. You are solely responsible for virus protection and maintenance of your PC. Bank shall have no responsibility for failures, interruption or other defects in the Services, which are occasioned by incompatible, improperly installed or improperly maintained Equipment. Bank may add to, modify, or replace software programs used in conjunction with providing the Services under this Agreement at its sole discretion and without notice, provided Services rendered to you are not substantially negatively affected or obligations altered.

3.2. Additional Services.

Additional services may be included in an update to this Agreement or in other separate agreements to notify you of the existence of any new services available through Online Banking. Information about new services may be obtained from our website at www.renasantbank.com. By using these services when they become available, you agree to be bound by the terms and conditions contained in this Agreement or separate agreements covering these services.

3.3. Restrictions; Limits.

In most cases you may use Online Banking to gain access to the Accounts in which you have an unrestricted right to withdraw funds. However, Bank, as it may determine at any time and from time to time in its sole discretion, may deny Online Banking account access, restrict Online Banking Account transactions, or place limits on the specific dollar amount of funds that may be withdrawn or transferred from any Account.

3.4. Vendor.

You acknowledge and agree that the Service is provided by an independent third party service provider ("Vendor") as selected by Bank, and that both the Vendor and the Service are subject to change from time to time without notice to you. You further acknowledge, agree, and stipulate that the Vendor is an independent contractor providing software and data transmission services and is not the agent of you or Bank. Neither Bank nor the Vendor is responsible for the actions or omissions of the other.

3.5. Consumer Disclosure Provisions.

THE FOLLOWING PROVISIONS OF THIS SECTION APPLY ONLY TO CONSUMER SERVICES AND ACCOUNTS ESTABLISHED PRIMARILY FOR PERSONAL, FAMILY, OR HOUSEHOLD PURPOSES

3.5.1. Unauthorized Transactions.

To the extent a Service transaction is an "electronic fund transfer" under Consumer Federal Protection Bureau Regulation E ("REG E"), tell us AT ONCE if you believe your Password has been lost or stolen, or if you believe that an Online Banking transaction has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. Call us at 800-680-1601 or write to us at Renasant Bank, Attn: Special Products-Electronic Banking Administrator, P.O. Box 709, Tupelo, MS 38802-0709. You could lose all the money in your Accounts (plus the money in any account linked to your Accounts for overdraft protection or may be obligated to repay the maximum amount of any line of credit established with us to cover overdrafts). If you tell us within two (2) Business Days after you learn of the loss, theft, or unauthorized transaction, you can lose no more than \$50.00 if someone used your Access Code without your authorization or made a transaction without your authorization.

If you do NOT tell us within two (2) Business Days after you learn of the loss, theft, or unauthorized transaction, and we can prove we could have stopped someone from using your Access Code or the Service without your authorization if you had told us, you could lose as much as \$500.00. Also, if your statement shows a transaction that you did not make or authorize, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed, electronically transmitted, or otherwise made available to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods as may be reasonable under the circumstances.

3.5.2. Bank's Failure to Complete Transactions.

To the extent that a Service transaction is an "electronic fund transfer" under Reg E that relates to an Account established primarily for personal, family, or household purposes, if we do not properly complete a transfer to or from your Account on time or in the correct amount according to the terms of this

Agreement, we will be liable for your losses or damages. However, we will not be liable (and any Payment guarantee provided elsewhere in this Agreement will not be applicable) if any of the following occurs:

- .1. Through no fault of ours, the Account selected by you does not contain sufficient available funds to complete the Payment or Transfer;
- .2. The transaction would exceed the credit limit on any overdraft line of credit linked to the Account;
- .3. Your Equipment, including without limitation, PC, Internet service provider, telephone line, modem is not operating properly;
- .4. The Service is not working properly and you were aware of the malfunction when you initiated the transaction;
- .5. You do not properly follow the instructional materials or Operating Instructions provided in connection with Online Banking;
- .6. You do not authorize a Payment within a sufficient period of time for your Payment to be received by the payee by the due date;
- .7. You have not provided us with the correct Payee name, address, account information, Payment amount, or other instructions necessary to complete the Payment, or the foregoing instructions stored on your PC's hard drive or the host system have been lost;
- .8. A Payee mishandles or delays the handling of Payments sent by us;
- .9. Your funds are held or frozen, or a court order or other legal process prevents us from making a transaction;
- .10. Your Access Code has been reported lost or stolen;
- .11. We have reason to believe that a transaction has not been properly authorized or authenticated, or is fraudulent, erroneous, or illegal;
- .12. You have exceeded the limitations on frequency of transactions or dollar amount of transactions applicable to the Service or the Account;
- .13. Your telephone service has been disconnected or there are deficiencies in the quality of your telephone line;
- .14. Circumstances beyond our control (such as telecommunication, Internet or electrical outages and malfunctions, postal strikes or delays, computer system failures, or natural disasters) prevent the transaction;
- .15. Making a transfer would cause us to violate any law, rule, or regulation to which we are subject; or
- .16. Any failure on our part was not intentional and resulted from a bona fide error notwithstanding procedures to avoid such error, except for actual damages (which do not include indirect, incidental, special, or consequential damages).

There may be other exceptions to liability stated in this Agreement, or in other agreements we have with you, or otherwise provided by applicable law.

3.5.3. Error Resolution.

In case of errors or questions about your Electronic Transfers, telephone us, write us at or E-mail us at the number or location provided in Section 10.6 as soon as you can if you think that your statement is wrong or you need more information about a transaction listed on your statement or appearing on the account activity screen of your PC, we must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared or you received notification of the problem or error on your PC. You must:

- .1. Tell us your name and the Account number.
- .2. Describe the error or the transaction you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- .3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) Business Days. We will determine whether an error occurred within ten (10) Business Days (twenty (20) Business Days for transactions that have occurred within thirty (30) days after the first deposit to the Account) after we hear from you and will correct any error promptly. If we require more time, however, we may take up to forty-five (45) days (ninety (90) days for point-of-sale transactions, transactions initiated outside the United States, or transactions that have occurred within thirty (30) days after the first deposit to the Account) to investigate your complaint or question. If this additional time is necessary, and your written notification has been received by us, we will credit your Account within ten (10) Business Days (twenty (20) Business Days for transactions that have occurred within thirty (30) days after the first deposit to the Account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) Business Days (twenty (20) Business Days for transactions that have occurred within thirty (30) days after the first deposit to the Account), we will not credit your Account and we will still have up to forty-five (45) days (ninety (90) days for point-of-sale transactions, transactions initiated outside the United States, or transactions that have occurred within 30 days after the first deposit to the Account) for our investigation.

We will tell you the results within three (3) Business Days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Article IV. Additional Information about the Services.

4.1. Account Access.

Transfers and Payments from your Account will be deducted on the date you instruct us to process them. If the date you schedule a Transfer or Payment falls is not a

Business Day, we will process your transaction the next Business Day. We may refuse to act on your Transfer instructions or Payment request if sufficient funds, including funds available under any overdraft protection plan, are not available in your Account on the date you want us to make the Transfer or Payment. However, without limitation on the foregoing, you authorize us, in our discretion, to deduct Payments from the selected Account even if the Transfer or Payment will create an overdraft, but we shall have no obligation to do so. You will be responsible for an overdraft fee or non-sufficient item fee if sufficient funds are not available to pay the Transfer or Payment.)

4.2. Processing Fund Transfers.

We can process a Transfer made by you until the end of the Transfer Day. If you request a Transfer after the end of the Transfer Day, the Transfer will be processed the following Transfer Day. If you schedule a Transfer for a future date, we will process the transaction after the close of business on that date, if that day is a Business Day.

You are fully obligated to us to provide sufficient funds for any Payments or Transfers you make or authorize to be made. If we complete a Payment or Transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree that we may reverse the transaction or offset the shortage with funds from any other Account(s) you have with us to the extent permissible by the applicable law and the terms of any other relevant agreements.

If there are insufficient funds in your Account to make a Transfer or Payment, we may, in our discretion, refuse to make the Transfer or Payment or we may make the Transfer or Payment and overdraw your Account. In either event, you are responsible for any overdraft fees or non-sufficient funds ("NSF") charges that may apply, as applicable.

4.3. Canceling Transfers.

You may cancel a pending Transfer transaction. However, to do so, we must receive your instruction to cancel no later than one Business Day before the transaction is scheduled to be processed. If we don't receive your instruction to cancel a transaction before that time, we may process the transaction.

4.4. Transfer(s) from Savings/Money Market Deposit Accounts.

Federal regulations require us to limit, either by contract or in practice, the number of certain types of Transfers from savings and money market deposit accounts. You are limited to six (6) preauthorized electronic fund transfers per month. Each fund transfer through these Services from your savings or money market deposit account is counted as one of the six (6) Transfers permitted each calendar month. However, payments to your loan accounts with us are not counted toward this transfer limit for savings/money market deposit accounts. On regular savings accounts, we charge a fee for each withdrawal or transfer in excess of two per month. The amount of these fees and the minimum balances necessary to avoid these fees, where applicable, are set forth in the Truth in Savings Disclosure for your Account.

4.5. Electronic Communications and Notifications.

4.5.1. E-Mails.

Bank will not immediately receive e-mail that you send. Therefore, you should not rely on e-mail if you need to communicate to Bank immediately. For example, if you need to stop payment on a check, to report a lost or stolen card, or to report an unauthorized transaction from one of your Accounts, you should contact Bank immediately by calling the Online Banking Department (see Section 10.6). Bank will not take actions based on your e-mail requests until Bank actually receives your message and has a reasonable opportunity to act. Please see additional information regarding e-mails located in Section 10.1

4.5.2. Account Notifications.

You may have the ability to set up an "Account Alert," which is a convenience feature that permits you to request a notification of specific situations. For example, you can request an Account Alert when an Account has reached a certain balance or check has been processed. You are responsible to input accurate information to set up the Account Alert. Account Alerts do not replace standard communications received from us concerning your Accounts. We are not responsible for any losses, damages or expenses that may occur if an Account Alert is not set up properly or is not processed as a result of factors beyond our reasonable control. You agree to keep your e-mail address up to date, using the Service.

4.5.3. Secure Messaging.

You may communicate with us using the "Secure Messaging" feature offered as part of the Service. You agree not to use this feature to conduct transactions on an Account, to seek to accomplish any of the available services listed in Section 3.1, or to provide us with instructions or notice. We may post messages for you in the "Secure Messaging" location of our Online Banking website. We may also use e-mail to notify you that a new message has been posted. After you log in, you agree to review all messages. You agree to keep your e-mail address up to date, using the Service. You will be deemed to have "received" the message upon receipt and opening of the message, or by the next Business Day after we post it to the Online Banking website and send you a notification of availability, whichever occurs earliest.

We may not immediately receive messages that you send and we will not take action based on any requests until we actually receive your message and have had a reasonable opportunity to act. Therefore, you should not rely on secure messaging if you need our immediate attention. In such cases, you should contact Bank immediately by calling the Online Banking Department (see Section 10.6). For example, if you need to report an unauthorized transaction from one of your Accounts, you should call us to ensure prompt action on your request.

4.6. Overdrafts: Order of Payments, Transfers, and Other Withdrawals.

If funds are withdrawn from any of your Accounts by means of electronic funds transfers, other than through

Online Banking on the same Business Day as an Online Banking Transfer or Payment, and if the Account contains insufficient funds to enable both the electronic funds transfer and the Online Banking Transfer or Payment to be made, then the electronic funds transfer will have priority and the Online Banking Transfer or Payment will be refused or will result in an overdraft on your Account. This is at Bank's sole discretion.

4.7. Bill Payment Service.

4.7.1. You can arrange, at your option, for the Payment of your current, future and recurring bills from your designated Bill Payment Account. For Bill Payment Service, your Payee list may include utility companies, merchants, financial institutions, individuals, etc. within the United States whom you wish to pay through Bill Payment Service. Please include the full name of the Payee and a complete mailing address and telephone number for each Payee, along with your account number with the Payee, the amount of the Payment, and whether the Payment is recurring. Bank reserves the right to decline to make Payments to certain persons and entities. You agree that any Payment for insurance, taxes, Payments that are court-ordered, government Payments and Payments outside of the United States are prohibited and you agree that you will not attempt to use the Service to make these types of Payments. On recurring Payments, it is your responsibility to update Payee account information such as address changes, account numbers, etc.

Payments are posted against your Available Balance, as defined in the Deposit Account Agreement, plus the available funds from any Overdraft Service(s), as defined in the Deposit Account Agreement, in which you are enrolled.

4.7.2. You may schedule Payments to be initiated on the current Business Day, on a future date, or on the same date of each month. If you are scheduling a Payment for the current day it must be scheduled prior to 7:00 p.m. Central Time. Changes to previously scheduled "one-time Payments" (as described below) must be made before 7:00 p.m. Central Time on the Send Date. Please note, however, that we cannot guarantee such changes will be effective if they are made less than twenty-four (24) hours in advance of the Send Date. Bank may change the foregoing deadlines by posting notice in the Operating Instructions. If the transaction shows an (IN PROCESS) status, then the Payment cannot be modified or deleted. Although you can enter Payment information through the Service twenty-four (24) hours a day, seven (7) days a week, Bank only initiates on Business Days. Funds must be available in your Account on the scheduled Payment date. We may make the Payment either by transferring funds electronically to the Payee or by mailing the Payee a check. Funds will be deducted from your account on the Business Day the Payment is to be initiated for electronic Payments. Payments made by check will be deducted from your Account when the check clears your account. If you direct the initiation of a Payment to occur on a day other than a Business Day, it will be initiated on the following Business Day. The Bill Payment Service will indicate whether a Payee is paid electronically or by check, and if by check, will provide you with a check number for the

Bill Payment check on the Payment confirmation screen. FOR RECURRING PAYMENTS, IF YOU SCHEDULE A PAYMENT DATE FOR THE 28TH THROUGH THE 31ST OF A MONTH, PROCESSING WILL BE INITIATED ON THE LAST BUSINESS DAY OF THE MONTH.

When you create a new Payee in the Bill Payment service, it has a temporary status until we have had sufficient time to set up the account, and for your business Payees, verify information about your Bill Payment Account. You should schedule a Payment to a new Payee at least ten (10) Business Days before any Payment due date, to allow us time to set up the Payee and verify information about your Account with the Payee. Bank is not liable for any service fees or late charges levied against you due to postal delays or processing delays by the Payee. There is no limit on the number of Payees or number of Payments that may be authorized. Payments are subject to the availability of sufficient funds in the designated Bill Payment Account. However, Bank reserves the right to impose limits at some future date, with proper written notice. You acknowledge and agree that if you describe a Payee inconsistently by name and account number, scheduled Bill Payment transactions to the Payee will occur on the basis of the account number, even if it identifies a person other than the named Payee.

For all subsequent Payments, you agree to allow at least three (3) to five (5) Business Days between the date you schedule a Payment to be initiated ("Send Date") and the Payment due date (that is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period). If you do not, you will be fully responsible for all late fees, finance charges or other actions taken by the Payee. If you schedule your Payment and follow all instructions provided, and the Payment is not received by the Payee in a timely manner, a representative of Bank will work with the Payee on your behalf to attempt to have any late fees or charges reversed.

When you schedule a Payment that will be made by check, you authorize us to issue a check drawn on your Bill Payment Account for the requested amount. If sufficient funds are not available in your Bill Payment Account when the check is presented to us for payment, we may refuse to honor the check and return it unpaid. At our sole discretion, we may elect to pay the check regardless of the insufficient funds in accordance with our standard, discretionary overdraft practices (as more fully explained in the Deposit Account Agreement). In either event, your Bill Payment Account will be charged our then current fee for processing insufficient items, whether the check is paid or returned, as applicable. You are responsible for any loss or penalty that you may incur due to a lack of sufficient funds or other conditions that may prevent the withdrawal of funds from your account.

4.7.3. If Payment is to be made electronically and your Bill Payment Account does not have sufficient funds to make a Payment as of the date the transfer or Payment is attempted or scheduled to be made, the Transfer or Payment may be canceled and no further attempt will be made by Bank to make the Transfer or Payment. Bank shall have no obligation or liability if it

does not complete a Transfer or Payment because there are insufficient funds in your Bill Payment Account to process a transaction. However, without limitation on the foregoing, you authorize Bank, in accordance with our standard, discretionary overdraft practices (as more fully explained in the Deposit Account Agreement), to deduct payments from the Bill Payment Account even if the Payment will create an overdraft, but Bank shall have no obligation to do so. You will be responsible for an overdraft fee or non-sufficient item fee if sufficient funds are not available to make the Payment. In all cases, you are responsible for either making alternate arrangements for the Payment or rescheduling the Payment through the Service. In the case of recurring Payments, only the Payment currently scheduled will be canceled. Recurring Payments scheduled for future dates will not be affected.

4.7.4. Recurring Payments and Transfers are those made for the same amount, on the same date, on a weekly, bi-monthly, monthly basis, etc. Once started, recurring Payments and Transfers will be made automatically until you delete the Payment or Transfer or upon expiration. If the Payment is not a recurring Payment, it will be a "one-time Payment." One-time Payments do not recur and are not made until you enter the Payee and amount of the current bill and submit the Payment. You may delete a Current Payment (that is, a single Payment you schedule to initiate the next time you transmit Payments) up to 7:00 p.m. CST on the Send Date. We cannot guarantee deletion of the Payment will be effective if such deletion is made less than twenty-four (24) hours prior to the Send Date. A "Future Payment" (that is, a Payment you schedule to be initiated within the next 45 days) or a "Recurring Payment" (that is, a Payment you schedule to initiate weekly, semi-monthly or monthly) must be deleted by 8:00 p.m. CST at least one Business Day prior to the Send Date or two Business Days prior to the Send Date if the Send Date is a Saturday, Sunday or holiday. (Remember: modification of a recurring Payment or Transfer instruction will affect all future Payments or Transfers associated with that Payment or Transfer.) Bank may change the foregoing deadlines by posting notice in the Operating Instructions.

A stop payment cannot be placed on an Electronic Bill Payment transaction once issued. However, a stop payment can be placed on a Bill Payment transaction by Bill Payment check in the same manner as a personally written check. See the section on stop payments in the Deposit Account Agreement for more information on the timing and information requirements for placing a stop payment.

There is no fee for deleting a Payment initiated through Bill Payment; however a fee will apply for a stop payment on a Bill Payment check.

In the event a Payment is returned to us for any reason, you authorize us, in our sole and absolute discretion, either to research and correct the Payment information or to void the Payment and re-credit your Account.

4.7.5. If you do not schedule or process a Payment via the Bill Payment Service for any three (3) month period, we may terminate your Bill Payment Service. If you

close your Bill Payment Account, or if we terminate your Bill Payment Service, your online Bill Payment information will be lost and all pending Payments will be cancelled with the exception of any outstanding Bill Payment checks that have been issued but not yet presented to us for payment as more fully discussed below. If you decide to terminate the Bill Payment Service, you agree to cancel all future Bill Payments at the same time that you cancel your Bill Payment Service, either by deleting those payments yourself using the Bill Payment Service or by calling us at the number provided in Section 10.6. This will ensure that future payments made by you will not be duplicated. We will automatically delete all outstanding payment orders (all one-time Payments and all recurring Payments) once your Bill Payment Service has been terminated. Termination of the Bill Payment Service will not automatically close your Accounts and will not affect your obligations arising from past Bill Payment transactions. Any outstanding checks that have been issued for Payments made by Bill Payment check but which have not yet been presented to us for payment at the time the Bill Payment Service is terminated will either (i) be paid or returned in accordance with the provisions of Section 4.7.2 if your Bill Payment Account remains open; or (ii) be returned unpaid if your Bill Payment Account has been closed. If your Bill Payment Account remains open and you do not want any remaining outstanding Bill Payment checks to be paid when presented to us for payment, then you must place a stop payment on such check(s) as described in Section 4.7.4.

Article V. Limitations.

Your use of these Services is subject to the following limitations:

5.1. Dollar Amount.

There may be a limit on the dollar amount of the transactions you can make using these Services. Security reasons limit the dollar amount of transactions and these limits are subject to change from time to time. Payment can only be made with U.S. currency.

5.2. Frequency.

In addition to the Federal banking regulations that restrict the number of Transfers, Payments and withdrawals, there may be limits on the number of transactions you can make using these Services. These limits are for security reasons and are subject to change.

5.3. Foreign Transactions.

No Payments may be made to Payees outside the United States.

5.4. Additional Limitations.

Additional limitations may be contained elsewhere in this Agreement. Your ability to initiate transactions may also be limited by the terms of other agreements you have with Bank or by applicable law.

Article VI. Parties' Responsibilities.

6.1. Your Responsibility.

6.1.1. Physical and Electronic Security.

- .1.** You are solely responsible for providing for and maintaining the physical, electronic, procedural, administrative, and technical security of data and systems in your possession or under your control. We are not responsible for any computer viruses (including, without limitation, programs commonly referred to as "malware," "keystroke loggers," and/or "spyware"), problems or malfunctions resulting from any computer viruses, or any related problems that may be associated with the use of an online system. Any material downloaded or otherwise obtained is obtained at your own discretion and risk, and Bank is not responsible for any damage to your computer or operating systems or for loss of data that results from the download of any such material, whether due to any computer virus or otherwise. You are solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to your operating systems, and for protecting, securing, and backing up any data and information stored in or on your operating systems. Bank is not responsible for any errors or failures resulting from defects in or malfunctions of any software installed on your operating systems.
- .2.** You acknowledge and agree that it is your responsibility to protect yourself and to be vigilant against e-mail fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as "phishing" or "pharming"). You acknowledge that Bank will never contact you by e-mail in order to ask for or to verify Account numbers, Security Devices, or any sensitive or confidential information. In the event you receive an e-mail or other electronic communication that you believe, or has reason to believe, is fraudulent, you agree that you shall not respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, or otherwise comply with any instructions in the e-mail. To the extent allowed by law, you agree that Bank is not responsible for any losses, injuries, or harm incurred by you as a result of any electronic, e-mail, or internet fraud.
- .3.** In the event of a breach of the Security Procedure, you agree to assist Bank in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Bank or Bank's agent access to your hard drive, storage media and devices, systems and any other equipment or device that was used in breach of the Security Procedure. You further agree to provide to Bank any analysis of such equipment, device, or software or any report of such analysis performed by you, your agents, law enforcement agencies, or any other third party. Your failure to assist Bank shall be an admission by you that the breach of the Security Procedure was caused by a person who obtained access to your transmitting facilities or who obtained information facilitating the breach of the Security Procedure from you and not from a source controlled by Bank. In the event of a breach of a Security Procedure, you may be required to close your Accounts or to execute a bank approved

reactivation agreement before the Services are reinstated to the Account.

6.1.2. Reporting Unauthorized Transactions.

You should notify us immediately if you believe your Access Codes have been lost or stolen, that someone has gained access to the Security Procedure, or that someone has made a Payment or Transfer or may make a Payment or Transfer from your Account without your permission or if you suspect any fraudulent activity on your Account. To notify us, call us at the number provided in Section 10.6. You should refer to Section 3.5.1 for additional information regarding unauthorized transactions.

6.1.3. Duty to Inspect.

You shall inspect all transaction history, reports, journals, and other material evidencing the output of the Service(s) performed by Bank. You must report all errors to Bank for Services performed and indicated in the transaction history, reports, journals, and other material evidencing the output of the Service(s) or otherwise reported to you daily by the close of business on the Business Day following the day on which the Service(s) is rendered. You must report all other errors within a reasonable time not to exceed thirty (30) days from the date that the error is made. Failure of you to promptly report errors within such specified time shall preclude you from asserting against Bank any claims arising from the error or any loss caused by the error.

6.1.4. Financial Information.

Bank may from time to time request information from you in order to evaluate a continuation of the Service(s) to be provided by Bank hereunder and/or adjustment of any limits set by this Agreement. You agree to provide the requested financial information immediately upon request by Bank, in the form required by Bank. If you refuse to provide the requested financial information, or if Bank concludes in its sole discretion that the credit risk of you is unacceptable, Bank may terminate the Service according to the provisions hereof. You authorize Bank to investigate or reinvestigate at any time any information provided by you in connection with this Agreement or any Services and to request reports from credit bureaus and reporting agencies for such purpose.

6.1.5. Deadlines.

You shall deliver or transmit all data or information to Bank by the deadline(s) specified in this Agreement. Bank shall have no obligation to process data or perform the Service if the data is not received by Bank by the specified deadline.

6.1.6. Payment for Services.

.1. You agree to pay Bank the fees established by Bank for rendering the Services under the terms of this Agreement. Depending on which Online Banking services you subscribe to, you will be charged the applicable Online Banking fees as set forth in our Common Fee Schedule hereby incorporated by reference and made a part hereof. Once you have subscribed and if we charge a monthly fee, you will be charged the applicable

monthly fee(s) whether or not you use Online Banking.

- .2. Bank may change or add any fees for Online Banking by the procedures outlined in Article IX for amending this Agreement. Fees charged for Online Banking under this Agreement are in addition to any service charges or fees that apply to your accounts with us.
- .3. You authorize Bank to deduct all applicable monthly fees from the Primary Account you have specified. If you close the Primary Account, you must notify us and identify a new Primary Account for the selected services, and unless and/or until you notify us and identify a new Primary Account, fees may be deducted from any other Account you maintain with us or any of our affiliates. Furthermore, Bank may set off against any amount it owes to you in order to obtain payment of your obligations under this Agreement.
- .4. In addition to the Service fees, you agree to pay for all taxes, tariffs and assessments levied or imposed by any government agency in connection with the Service, this Agreement, and/or the software or equipment made available to you (excluding any income tax payable by Bank). You are also responsible for the costs of any communication lines and any data processing charges payable to third parties.

THE FOLLOWING PROVISIONS OF THIS SECTION APPLY ONLY TO SERVICES AND ACCOUNTS ESTABLISHED PRIMARILY FOR BUSINESS PURPOSES.

You also agree to pay all attorneys' fees, costs and expenses that Bank may incur as the result of defending any claim or action made against Bank by you, or on your behalf where Bank is found not to be liable for such claim. Article VII. Privacy/Information Sharing.

We may disclose information about your Accounts or the Transfers you make: (a) where it is necessary for completing the Transfers or processing or maintaining your Accounts; (b) as provided in our Privacy Disclosure; (c) in order to verify the existence or condition of your Accounts for a third party such as a credit bureau or merchant; (d) in order to comply with legal process, government agency or court orders; (e) to companies that perform marketing services on our behalf or to other financial institutions with whom we have joint marketing agreements; or (f) otherwise as permitted by law. If you terminate Online Banking, you authorize Bank to continue making Transfers or Payments you have previously authorized and continue to charge monthly fees until such time as Bank has had a reasonable opportunity to act upon your termination notice. Once Bank has acted upon your termination notice, Bank will make no further Transfers or Payments from your Accounts, including any Transfers or Payments you have previously authorized. Where the EFTA and REG E apply, notice is always required if the change would result in:

- Increased fees for you;
- Increased liability for you;
- Fewer types of available electronic fund transfers; or
- Stricter limitations on the frequency of dollar amount of transfers.

If the EFTA and REG E apply, we are not required to give notice if an immediate change in terms or conditions is necessary to maintain or restore the security of an Account or an electronic fund transfer system. However, if such a change is permanent, and disclosure would not jeopardize security, we will notify you in writing on or with the next regularly scheduled periodic statement or within thirty (30) days of making the change permanent. Such notices will also be published on Bank's web site. If the EFTA and REG E do not apply to a particular transaction, and other state or federal laws do not specify any notice or other requirements for an amendment, we will decide what kind of notice (if any) we will give you and the method of providing any such notice.
