

OUR LOBBIES ARE OPEN

Our branches are open!

Your safety is our top priority.

We are excited to announce the reopening of our lobbies! We appreciate your patience during these unprecedented times. As we welcome you, our valued customer, back into our lobbies, you can rest assured that safety and wellness best practices are in place:

- Please wear a face covering when visiting a branch. In certain locations, these may be required as per local ordinance. If you do not have one, we will happily provide one at the time of your visit.
- All of our employees have been provided face coverings and will wear them when interacting with you.
- Enhanced cleaning is provided at all of our locations.
- Floor markers and plexiglass shields have been installed in our lobbies to help promote social distancing.
- Hand sanitizer is continuously made available at each of our locations.
- The number of people allowed in the branch at one time is carefully monitored with maximum occupancy numbers.
