Metropolitan Direct Connect to Renasant Web Connect

If you use **Direct Connect**, which allows Quicken and QuickBooks to communicate directly with Renasant Bank, you do not have to sign into your bank's website and manually download transactions – Quicken and QuickBooks does this for you. Renasant will begin offering Direct Connect in November 2017. In the meantime, you can use Renasant Web Connect to download transactions. Bill Payments will need to be made through online banking until Renasant Direct Connect is available. Click on the appropriate link below for conversion instructions.
